

# The Ecussionist

[www.dwplivefactory.com](http://www.dwplivefactory.com)

Drummer Matt Vorzimer aka The eCUSSIONIST often performs in New York City subway stations. but can also be found on stage with some of your favorite neo soul and hip-hop artists. Check out his touch on everything from Kanye's "Mercy" to Sade's "Cherish the Day."

He combines playing drums live with overlaid samples.

As an ecussionist, he combines loops from a variety of genres with his own beats using a drum pad.
